

Rickmansworth Sailing Club Open Meeting 9th of September

The nine visiting Comets plus Claudia Wilson and Jamie Smith from in their Versa, made up a great turnout of 10 boats for the inaugural Open meeting.

Visitors came from as far afield as Beer in Devon, Worthing, Peterborough, Welwyn Garden City, Chelmsford, Alton, Fleet and St Austell in Cornwall.

A steady breeze blew for most of the day, dropping lighter at times however a simple course made for some interesting racing.

The open for 2018 is provisionally booked for 8th of September when we are aiming for between 15 and 20 boats.
