STOP PRESS!
*addition & amendments
 shown in red*

Non-members sailing with any of the Comet rigs are welcome to compete at all of the open meetings but cannot qualify for the Aphelion or Orbital series. The two Championship events are for Comet Class Association members only.

* Aphelion areas:

N=Northern; S=Southern; E=Eastern; W=Western. Note that some events count in two areas.

Details of how to qualify will be on our website.

The final venue in each region is shown in bold and underlined. There and then is where we hope to present the appropriate Aphelion prizes for that region.

The Orbital prizes and end of season trophies will be presented at Staunton Harold.

Dates correct as at 18th May 2019

Confirm before travelling.
