

## Camping and Accommodation for the Comet Nationals at Bala SC – 27-28-29-(30) August 2020

It may seem a long time to go and many other open events and the Associations will have passed, by the time we hold the Nationals at Bala. However, it is August Bank Holiday and Bala is on the edge of Snowdonia, so popular for tourists – and **Wales is shortly expected to announce relaxation of Covid Restrictions for the summer.**

Good idea then to book well ahead and also plan to arrive Friday evening (27<sup>th</sup>), if you're coming a long way.

Bala Sailing Club has some good links to local accommodation and of course there are many sites such as Tripadvisor and AirBnB that can guide you to short-stay alternatives.

**Camping** : The Association has provisionally reserved space for **6 small pitches** (ie not big frame tents or caravans AND NO ELECTRICAL HOOKUPS) at the **Pen y Bont Campsite**, a short walk from the Sailing Club at the very reasonable Bank Holiday price of

Single adult : £21/night

Two adults sharing : £26/night

This assumes campers stay 2 or 3 nights

In order to reserve a pitch, please contact [events@cometsailing.org.uk](mailto:events@cometsailing.org.uk) (not the campsite) and a pitch will be reserved for you on a first come first served basis. The campsite will require a deposit by end May, which we will ask you for at that time

**PLEASE EMAIL BY END MARCH TO SECURE A PITCH**

Remember to say which nights you will require a pitch for !

Looking forward to seeing you on the water in 2021 !
