Only members' results will count towards the class *Aphelion* and *Orbital* series.

The *Championship* events are for Class Association members only. (Temporary Membership is available)

* *Aphelion* areas:

N=Northern; S=Southern;
E=Eastern; W=Western.

How to qualify? See our website.

The final venue in each area is **shown in bold** and is where we hope to present the *Aphelion* prizes for that area.

We expect to present the *Orbital* prizes and other end of season trophies at Staunton Harold on 25th Oct.
